

# Crazy Man

## Josefus

I met a crazy man  
The other afternoon  
and you should have heard the things that he said  
He said he knew some things that I couldn't know too soon.  
And he spoke of other visions in his head  
Crazy man told me you were telling lies  
Said there were times where you tried to make me cry  
Listen to that crazy man  
Ohhh, listen to him babble
