# No Angels

## Cold World

You Know, It's Now Or Never, It's A New Day,
When The Pressures On
We're Never Fall
That's The Way It Is
The Storm Will Forever Progress And
We Shall Eternally Reign
We Are What We Are
And Believe Me We're No Angels
There's A Time And A Place To Place Your Hate
2 Faced Enemies Become Friends
1 To Many Mistakes Made
As Young Kid Whispers Who Cares What They Say
So I Say I Care So I Say U Make Way
Prepare 4 The Gateway To Open
The 10 Strong Hold The Flow Golden,
You Still Don't Know Them ,You've Missed
The Best Part Of The Show But
What You Didn't No Is There's More 2 Comw
Forget Your Troubles Hold On
Are You For Real? I Dont See No Wings, No Halo,
I See Myself Twisted Up Back, When
Platinum Had Cane Row,
In The Beginning Now Or Never
We're Winning Bringing Flows Chillin

Back Sittin Hittin And Rippin Tracks
Still Black Suit White Shirt Still Rappin
In Booths, Still Merc Cruise
Still A Career, Its Still Work You Haters
Collect The Papers I Rake
You Mistakers Mistaking My Game Just Fake
We're No Angels, Angels, Angels, Angels
So Don't Mistake Us Anymore
We're No Angels, Angels, Angels, Angels
If That's What You Thought Before
We're No Angels We Just Are What We Are
No Angels But We Might Have Been In The Past
We Came From Nothing
People Didn't Know About Us

No Angels, Angels, Angels
Yo, I Grew Up Not Knowing 2 Much But Flowing
We're Tough And I Wont Lie
Everybody Gotta Try Something
The Eyes Of The Public Will Not Be
Disrupted Cos The Rhymes Tht I Come With Aint
The Concept Tht You Wanted A Craft Wot
Is Positive, Laugh Wen Ur Negative And Hatreads A Draught
Blown Away Tht Should Never Lie.
