Over The Edge

Corrupted Ideals

I'm here at the crossroad
Where my life is heading? Man, I don't know
Should I stay or should I go?
'Cause anything's better than what I've been through
What I would give to get a sign from up above?
Letting me know that everything would be okay
I wish someone would pull me off from out of the mud
Will anyone out there say to me
I'm here, for you
Don't worry 'cause I got you
Don't trip, don't stress
My life seems to be heading
Over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
The edge, the edge
Now everyday that goes by
I see things that'll make another man cry
I'm sitting wondering why
I can't find that someone to fit in my life
See I was searching, but am I worth it?
And did she ever think I'm good enough for her?
Despite my suffering I felt the loving
And she was there when I needed her the most
And that's the sign that I received from up above
Letting me know that everything would be okay
And she was that someone that pulled me out of the mud
And also was the one that said to me
I'm here, for you
Don't worry 'cause I got you
Don't trip, don't stress
My life seems to be heading
Over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
The edge, the edge
I'm here, for you

Don't worry 'cause I got you
Don't trip, don't stress
My life seems to be heading
Over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
The edge, the edge
I'm here, for you
Don't worry 'cause I got you
Don't trip, don't stress
My life seems to be heading
Over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
Feels like I'm heading over the edge
The edge, the edge
