

Satisfied Mind

Jean Shepard

How many times have you heard someone say
If I had his money I could do things my way?
 But little they know that is so hard to find
One rich man in ten with a satisfied mindOnce I was wading in fortune and fame
 Everything that I dreamed for to get a start in life's game
 But suddenly it happened that I lost every dime
But I'm richer by far with a satisfied mindMoney can't buy back your youth when you're old
 Or a friend when you're lonely or a love that's grown cold
 The wealthiest person is a pauper at times
Compared to the man with a satisfied mindWhen life has ended my time has run out
 My friends and my loved ones, I'll leave them no doubt
 But one thing for certain when it comes my time
 I'll leave this old world with a satisfied mind
