Go Ahead

Fireflight

Yesterday I heard Your voice
Whispering through all the noise
I pretended I couldnt hear YouBut You kept on pursuing me
And You began to move in me
And I just couldnt hide anymore
I wont fight YouGo ahead
Take what You want to
Take what You need to
Dont let me hold You backGo ahead
Do what You have to
'Cause I wanna know You
Dont let me hold You backIll wear my heart out on my sleeve
If it brings You close to me
Help me leave the life I knew before YouCome inside, erase the shame
Call me by a different name
I wont be the same anymore
God I trust YouGo ahead
Take what You want to
Take what You need to
Dont let me hold You backGo ahead
Do what You have to
'Cause I wanna know You
Dont let me hold You backGod I was so wrong
To stay away so long
Oh, how I need YouGo ahead
Take what You want to
Take what You need to
Dont let me hold You backGo ahead
Do what You have to
'Cause I wanna know You
Dont let me hold You backGo ahead
Take what You want to
Take what You need to
Dont let me hold You backGo ahead
Do what You have to
'Cause I wanna know You
Dont let me hold You back
