

Alvida (feat. Sourjya Ghosh)

[Arijit Anand](#)

ye aa gaye kis gali hum kahaan
yaaden teri ban gayin hain dua
jinhin le ke raaton mein sote the hum
takiye ke neech se gum hain kahaan

to tera-mera saath yaheen tak tha
phir milenge hum kahaan
meri hansee hai kah rahee
shaayad hai ye alvida

tera-mera saath yaheen tak tha
phir milenge hum kahaan
meri hansee hai kah rahee
shaayad hai ye alvida

raah mein gir pade bhee jo hum
khud se hee ab uthenge katam
ye hanvaaye bhi taaji lage
khvaahishen mujse raji lage

raahen bhee jab simat jaayenge
khud naee raah ban jaayenge
aise hee to chale hai jahaan
itanee bhee mushkilen hain kahaan

tere saath hee chalta tha
maanaa too tha hamsafar
ab akele hi sahi
par kat jaayega safar

tera-mera saath yaheen tak tha
phir milenge hum kahaan
meri hansee hai kah rahee
shaayad hai ye alvida

alvida
