

# Down with Prince

## Hot Chip

I'm sick of motherfuckers trying to tell me that they're down with Prince  
I was just a baby when I heard him playing Vanity 6  
And now it's such a ripoff got to get to my Electric Six  
Show 'em how it's done I think you got to get shown up rich  
Snare drums pound on the 2 and 4.  
If you've got a kick drum get on the floor

? some more

All the ? get out the door

?

? if you know what I mean

?

Gettin' down with your royal badness  
Been working night and day on my CV since I was seven years old  
Didn't know a dollar from a sniff of your raspberry cologne  
Ladies beg your pardon can I show no bitches good to go  
Where were you ?  
Snare drums pound on the 2 and 4.

If you've got a kick drum get on the floor

? some more

All the ? get out the door

?

? if you know what I mean

?
