

God Given (Stephen Morris and Gillian Gilbert)

Nine Inch Nails

Hey, man, please don't make a sound
Take a look around
Can't you see what's right in front of you?
Have a little taste
No more time to waste
You don't wanna get left behind 'cause it's all coming down right now
How hard is it to see?
Put your faith in me
'Cause you wouldn't want to be
Praying to the wrong piece of wood
You should get where you belong
Everything you know is wrong
Come on, sing along, everybody now (God given) And He gives us sight
And we see the light
And it burns so bright
Now we know we're right
It is kingdom come
And Thy will be done
We have just begun
We're the chosen ones (I would never tell you anything that wasn't absolutely true that hadn't come right from
His mouth that He wants me to tell you) Wait
Step into the light
How can this be right?
I'm afraid we're going to ask you to leave
Guess you cannot win
With the color of your skin
You won't be getting in to the Promised Land
This is just another case
You people still don't know your place
Step aside, out the way, wipe that look off your face
'Cause we are the divine
Separated from the swine
Come on, sing along, everybody now (God given) And He gives us sight
And we see the light
And it burns so bright
Now we know we're right
It is kingdom come
And Thy will be done
We have just begun
We're the chosen ones And He gives us sight

And we see the light
And it burns so bright
Now we know we're right
It is kingdom come
And Thy will be done
We have just begun

We're the chosen ones(I would never tell you anything that wasn't absolutely true that hadn't come right from
His mouth that He wants me to tell you)(God given)
