Eyes on You

Nine Lashes

They'll never find me here
I'll leave behind all of the things I fear
I'm pressing on into the atmosphere
To get above all the rain & finally flyI'll pray the great unknown
& ever after I have found my home
I'll live forever with the one who shows
To go & die on a cross so I'd be aliveYou are the one that we have waited for
In every moment
We set our eyes on you
The hope in such a desperate world
Until forever goes, let it go
We will
Set our eyes on you
Jesus
Set our eyes on you
We will set our eyes on you
I know my days are a few
& I've had to fight to keep my eyes on you
Know all the world has claimed your words un-true.
I have a fire alight,
inside,
burning bright.I'll pray the great unknown
& ever after I have found my home
I'll live forever with the one who shows
To go & die on a cross so I'd be aliveYou are the one that we have waited for
In every moment
We set our eyes on you
The hope in such a desperate world
Until forever goes, let it go
We will
Set our eyes on you
Jesus
Set our eyes on you
We will set our eyes on you
& we have come so far
Light up the world so dark
We are the lost
Now the dawn is who we are
We'll keep our heads held high

You've opened up our eyes
So, light up the skyYou are the one that we have waited for
In every moment
We set our eyes on you
The hope in such a desperate world
Until forever goes, let it go
We will
Set our eyes on you
Jesus
Set our eyes on you
We will set our eyes on you
Jesus
Set our eyes on you
We will set our eyes on you
