

Nothing To Lose

K'naan

La la la la la

La la na na na

La la la la la

La la na na na

[Verse 1] Girl I've been all over the world

Looking for you

I'm known for taking what I think I deserve

And you're overdue

And if you listen you can hear me through the radio

In that bright white noise

What I been missing in my life

What I been dreaming of

You'll be that girl

You'll be that girl

You'll be

[Sabi] Everything you want so let me get up there

I'm the baddest baby in the atmosphere

Tell me what you want so we can do just what you like

[Chorus] You make me feel that

La la la la la

You make me feel so

La la la la la

You make me feel that

La la la la la

You make me feel so

La la la la la

You, you make me feel that

[Verse 2] Get a little closer to me girl

And you'll understand

'Cause if you want a guy that knows what you need

Well, then I'm your man

And if I listen I can hear you through my radio

In that bright white noise

What I been missing in my life

What I been dreaming of

You'll be that girl

You'll be that girl

You'll be

[Sabi]

Everything you want so let me get up there
I'm the baddest baby in the atmosphere
Tell me what you want so we can do just what you like
Ooh

Everything you know I'm flipping upside down
Take you 'round the world
You know I like it loud
Tell me what you want 'cause we can do just what you like
[Chorus] You make me feel that

La la la la la
You make me feel so
La la la la la
You make me feel that
La la la la la
You make me feel so
La la la la la
You make me feel, oh
La la la la la
You make me feel that

La la la la la
You make me feel so
La la la la la
You make me feel, oh
La la la la la

Put your hands up
Put your hands up
Let the lights drop
Let the lights drop
Make my world stop
Make my world stop

La la la la la
La la na na na
You make me feel that
La la la la la
You make me feel so
La la la la la
You make me feel that
La la la la la
You make me feel so
La la la la la
You make me feel, oh
La la la la la
You make me feel that
La la la la la
You make me feel so

La la la la la
You make me feel that
La la la la la
