Put Your Number In My Phone

Ariel Pink

Thereâ€™s magic in the air
The night sky drapes your face like a mystery left uncovered
Talk to me, itâ€™s now or never, babe
Make believe, the night last forever, babe
Come for tea, Iâ€™ll be your neighbor
If you want all this and more

Put your number in my phone
Put your number in my phone
I hope to get sometime alone
I wanna get to know you more, baby
Put your number in my phone
If I could get sometime alone

â€™cause what would tame this gypsy heart but fruits from fresh on vine
Your luscious lips entice me to discover

Talk to me, Iâ€™ll be your butterfly
Hard to me, Iâ€™m not the zion
Save me, spare us both the denial
Most of this true love

Put your number in my phone
Put your number in my phone
I hope to get sometime alone
I wanna get to know you more, baby
Put your number in my phone
If i could get some time alone

Voicemail: Hey Ariel, it's Jessica. We met at the taco truck in Silverlake and I don't know if you're really busy or something but I haven't heard back from you and I was just wondering like, if you could...

Talk to me, itâ€™s now or never, babe
Make believe, under the zion
Come for tea, Iâ€™ll be your neighbor

If you want all this and more
Put your number in my phone
Put your number in my phone
I hope to get sometime alone

I wanna get to know you more, baby
Put your number in my phone
If i could get sometime alone
