Never

Voltaire

Too much, never too much, never too much
Uh, E.V.E y'all, c'mon, c'mon, c'mon, Keyshia
(A thousand kisses from you)
Let's go
(A thousand kisses from you)
C'mon, c'mon
(Never too much, never too much)
You're tellin' me, we're cool but that just ain't enough
'Cause, everything that you do makes me want you more, oh
Feelings that I have for you can't be replaced easily
But you seem to think that you have the best of me
But my love is closed for you, let nobody enter
Even when I'm with someone, ain't the same when I'm with ya
Please tell me that you're listenin', please tell me that you're hearin' me
'Cause, I'm gonna be here always
Even if you gimme all your love, even if you gimme all your kisses
It will be never, never too much, never too much, oh yeah yeah
Even if you gimme all your love, even if you gimme all your kisses
It will be never, never too much, never too much, never too much
Gimme all your love, even if you never be too much
Even if you gimme all your love, it would never, never be too much
Even if you give me 'cause, I know that baby, if it still will be
But every time I see you boy, ooh, what you do to me?
Make my body shiver lift, Quiver wanna say your name
Lovin' you is like an emotional ride, here to stay
But my love is closed for you, let nobody enter
Even when I'm with someone ain't the same when I'm with ya
Please tell me that you're listenin', please tell me that you're hearin' me
'Cause, I'm gonna be here always
Even if you gimme, even if you gimme
It will be never, never too much, never too much, never too much
Even if you gimme all your love, even if you gimme all your kisses
It will be never, never too much, never too much
Give me all you love, never be too much
Give me all you love, never be too much
Yo, don't give a fuck about the money and the bank you got
Love you the same even if you give me trinkets stop
Got my heart in ya hands and I think you know
Can't put a price on my love and the way we grow

I think I melt inside when you look in my eyes
Baby, all I see is you fuck them niggas who try
Don't ever worry about my loyalty
Try the others and I'm cool 'cause you treat me like I'm royalty
Been through the bullshit, been through the games
Been through the telephone arguments with nothin' ass games
All them crazy days you helped me maintain
Sometimes, I think your love be keepin' me sane
Never worry Daddy I never goin' nowhere
Whatever happens best believe I'ma stay right here, yeah
I need your kisses and I need your touch
Don't ever think I've had it all 'cause it's never too much, come on
Give me all your love, never be too much
Give me all your love, never too much, never too much, never too much
Even if you gimme all your love, even if you gimme all your kisses
It will be never, it will never be too much
Even if you gimme all your love, even if you gimme all your kisses
It will be never, never too much, never too much
Even if you gimme, even if you gimme
It will be never, never too much, never too much, never too much
Even if you gimme, even if you gimme
It will be never, never too much, never too much
Even if you gimme, even if you gimme
It will be never, never too much, never too much, never too much
Even if you gimme, even if you gimme
