

Sea Knows When

Nada Surf

Sea knows when
Shy of blue, getting through
Dodging pain from me and you
It's my cave, my last ideal
To put the bed out in the hall We're diving now
We're plotting charts and finding faults
We're making lists down in the vaults
I have no angel to watch me fall Sky of blue
And I told you that I don't know how I should do
I wrote it down, I threw it out
Now I find I'm left without
And the sea knows when it's going to end
