Fade To Black

Apoptygma Berzerk

Life it seems will fade away
Drifting further every day
Getting lost within myself
Nothing matters, no one elseI have lost the will to live
Simply nothing more to give
There is nothing more for me
I Need the end, to set me freeNo one but me can save myself, but it's too late
Now I can't think, think why I should even try
Yesterday seems as though it never existed
Death greets me warm, now I will just say goodbyeThings not what they used to be
Missing one inside of me
Deathly lost, this can't be real
Cannot stand this hell I feel
