

# Holdin' On (Genuine )

Stacie Orrico

Sometimes the pleasures I see in this world  
Look so attractive to me  
Some days I'm driven by the things that I want  
More than the things that I need  
When I'm weakest They sparkle the brightest it's true  
But they'll never shine brighter than you  
When my mind is uncertain  
My heart keeps holdin' on My heart keeps holdin'  
Holdin on to you  
My keep holdin on  
Holdin on to you My eyes deceive me and turn away  
To the places that I left behind  
I can't trust these voices that lead me a stray  
Always confusing my mind But the truth is  
You've captured my heart I know  
And there's no way I'll ever let go  
When my mind is uncertain  
My heart keeps holdin' on My heart keeps holdin'  
Holdin' on to you  
My keep holdin' on  
Holdin' on to you My clinging to you  
Is really you embracing me  
My clinging to you  
Is really you embracing me My heart keeps holdin'  
Holdin' on on on on My heart keeps holdin'  
Holdin' on to you  
My keep holdin' on  
Holdin' on to you My my my heart keeps holdin'  
Holdin' on to you  
My my my keep holdin' on  
Holdin' on to you It keeps holdin'  
It keeps holdin'
