

Gang Of Rhythm

Walk Off The Earth

I got this old guitar the strings are rusty but it's all I need
Bring in the kick drum it can back the beat
Let's gather round and sing a song
I got a shaker too
The kind of sound that wants to make you move
Bing in the uke it will complete the groove
Let's gather round and sing a song
There's no worries on the earth tonight
We're all walking off the world tonight
Come on now everyone, yeah
Come on now everyone
We're like a locomotive
Under the big hard sun
We're chained to the gang of rhythm
The song is never done
Come on now everyone, yeah
Come on now everyone!
We got this melody
Bring in the harmony like CSNY
To write a tune you know will never die
Let's gather round and sing a song
There's no worries on the earth tonight
We're all walking off the world tonight
Come on now everyone, yeah

Come on now everyone
We're like a locomotive
Under the big hard sun
We're chained to the gang of rhythm
The song is never done
Come on now everyone, yeah
Come on now everyone!
And when the night is done
These chains will hold us strong
The chords will carry on
Long after we're gone
There's no worries on the earth tonight
We're all walking off the world tonight
Come on now everyone, yeah

Come on now everyone
We're like a locomotive
Under the big hard sun
We're chained to the gang of rhythm
The song is never done
Come on now everyone, yeah
Come on now everyone!
Come on everyone
We got this melody
Come on everyone
bring in a harmony
I got this old guitar the strings are rusty but it's all I need
