Scrapple From The Apple

Charlie Parker

I'm cuttin' out to see the Apple
Grab my Alto Sax and I'm back on the road
I've practiced everything that's out
No doubt I'll be makin' it big
Just giggin' with those Cats in New YorkI'm gonna cut me off some scrapple
Gonna cut that Apple right down to the core
They've never heard the Bird before
I'm sure I'll be makin' it big
Just giggin' with those Cat's in New YorkBlow into town
The joints are really jujmpin'
With some cool bopin' music
Man it's really quite a scene
I can't wait to get out there
And take out my horn and playI'm gonna be hangin' with those cats in Harlem
Spendin' all day playin' bebop
I'm cutting Scrapple from the Apple
Goin' to cut this Apple right down to the core
I'll put some Scrapple on the floor for sure
I'll be makin' it big just giggin' with these cats in New York
