See the Light

Jeff Healey

Can you see the light,
Can you see the light of need shinin' in my eye?
Can you see the light,
Can you see the light of need shinin' in my eye?Well, you know I need you baby,
And I sure ain't gonna tell you no lieCan you see the light,
Can you see the light of want shinin' on my face?
Can you see the light,
Can you see the light of want shinin' on my face? heyWell, you know I want you, mama
Come on, we'll get from this place, now
Look out! Yeah!Can you see the light,
Can you see the light of love shinin' from my heart?
Can you see the light,
Can you see the light of love shinin' from my heart?Well, you know I love you, baby,
And I sure want to give this thing a start, Lord!
Can you see the light?
Can you see the light?
Can you see the light?
Say! Can you see the light, yeah?
