

White Pepper Ice Cream

Cibo Matto

White pepper ice cream
It's like a line drawing
It snipped my heart
White pepper ice cream In my mouth it sting my lips
It's like eclipse
As I'm in the crossword puzzle
But I can't fill in the blank White pepper ice cream
Sweet or spicy?
White pepper ice cream [Foreign content]
[Foreign content]
Which is the first word sweet or spicy?
[Foreign content]
[Foreign content]
It's all the same to me I was shot with bullets of pepper
On my lips, I feel a nip Black and white, Bonnie and Clyde
Black and white, Bonnie and Clyde
It steels my sight
Under cover of night We run away from
It's all the same to me
We run away from
It's all the same to me
In the puzzle
