You're My Heart, You're My Soul

Modern Talking

Deep in my heart there's a fire burning hard

Deep in my heart there's desire for a start

I'm dying in emotion, it's my world in fantasy

I'm living in my, living in my dreamsYou're my heart, you're my soul

I keep it shining everywhere I go

You're my heart, you're my soul

I'll be holding you forever, stay with me togetherYou're my heart, you're my soul

Yeah, a feeling that our love will grow

You're my heart, you're my soul

That's the only thing I really knowLet's close the door and believe my burning heart

Feeling alright, come on, open up your heart

Keep the candles burning, let your body melt in mine

I'm living in my, living in my dreams
