

# Cosmic

## baradit

I wanted to write a song called "Cosmic?"  
I wanted to get a view of the earth  
I wanted to be your lonesome cowboy  
I wanted to love you 'til it hurt  
I wanted the right to misbehave  
To satiate my crave  
I put these things aside for years  
'Til laughter took the place of tears  
It's like I was asleep  
You know I'm here, I'm here  
I wanted to take your place just sometimes  
To know the things you know and why you did the things you do  
To say no one time and believe it  
Oh, I wanted so much but only needed you  
Wasn't it just my choice to make  
The bed in which I lay?  
I put these things aside for years  
'Til laughter took the place of tears  
It's like I was asleep  
Yet now I'm here, I'm here  
I wanted to be able to talk without the interruption  
I wanted to sing exotic words  
I wanted to find a way to put an end to part of my destruction  
I wanted to know what I was worth  
And wasn't it just my choice to make  
The bed in which I lay?  
I put these things aside for years  
'Til laughter took the place of tears  
It's like I was asleep  
Yet now I'm here  
(And it's cosmic)  
I'm here, I'm here  
(And it's cosmic)
