Prophecy

Holyhell

Under the midnight sun
Beyond the pearly gates
Where darkness cloaks the earth
And souls choose their fateEden falls
Angels call
Serpents preyA raven's song
From dusk till dawn
The end awaitsLight upon light
Dark upon night
Night turns to dayEyes of evil
Heavens equal
Sweet bird of preyWhen the morning star
Awakens from the grave
Another battle's won
And all the damned are savedEden falls
Angels call
Serpents preyA raven's song
From dusk till dawn
The end awaits[Chorus:3x]
Light upon light
Dark upon night
Night turns to dayEyes of evil
Heavens equal
Sweet bird of prey
