Uplift

Bonesaw

On one whole bottle "uplifting"
There is no telling what I'll do
Run head first into traffic
(with) A mind set of annihilation

No sense makes sense
You can't get bought without thought
No sense makes sense
You can't get bought without thought inside of your head now

[Chorus:]
Uplift - Uplifting (x2)

On hallucinogenic "uplift"
I can step out of my body
(Find that) Religion is in myself
I'll split my head in two and see you twice

No sense makes sense
You can't get bought without thought
No sense makes sense
You can't get bought without thought inside of your head now

[Chorus:]

Give me alcohol extremities
Instead of proofless (101) Christianity
Drink deep in a coma state
Critics disgusted, but a smile is on my fucking face
I do anything that I want
I get everything that I ask
And if this message bothers you, you know
Just kiss my fucking asshole
Uplift (x4)
