

# Tie My Hands (Ft. Robin Thicke)

Lil' Wayne

We are at war  
With the universe  
The sky is falling  
And the only thing that can save us now  
Is sensitivity and compassion  
But I know one thing's for sure  
I'm gonna get my kicks before it all burns down Yeah, some say tragedy is hard to get over  
But some time that tragedy means its over, soldier  
From the academy league of rollers  
I deny being down though they seem to hold us  
My shoulders are strong, I prove them wrong  
I ain't doing nothing but moving on, let the truth be known  
But they talk that freedom at us and didn't even leave a ladder, damn  
I work at the corner store  
We all got problems problems  
No one's gon' fight alone  
No one's gon' save us now  
How you feel? you're not alone  
We're all just jealous, jealous  
We don't reach the sky no more  
We just can't overcome no You tie my hands  
What am I gonna be  
What have I done so bad  
What is my destiny  
You tie my hands  
What am I supposed to see  
What have I done so bad  
What am I gonna be  
I, knock on the door, hope isn't home  
Fates not around, the lucks all gone  
Don't ask me whats wrong, ask me whats right  
And I'mma tell you what's life?  
And did you know?  
I lost everything, but I ain't the only one  
First came the hurricane, then the morning sun  
Excuse me if I'm on one, and don't trip if I light one, I walk a tight one  
They try to tell me keep my eyes open  
My whole city under water, some people still floating  
And they wonder why black people still voting,

cause your president's still choking  
Take away the Football team, the Basketball team  
Now all we got is me to represent New Orleans, shit  
No governor, no help from the mayor  
Just a steady beating heart, and a wish and a prayer  
Lets pray These friends they come and go  
But I got family family  
These kids so fast they grow  
They learn so quickly now  
But there's no where to go,  
But there's future future  
Don't make this seem so low  
And we can't overcome You tie my hands  
What am I gonna be  
What have I done so bad  
What is my destiny  
You tie my hands  
What am I supposed to see  
What have I done so bad  
What am I gonna be And if you come from under that water then there's fresh air  
Just breathe baby, Gods got a blessing to spare  
Yes, I know the process has so much stress  
But its the progress that feels the best  
Cause I came from the projects straight to success  
And your next, so try they cant steal your pride its inside  
Then find it and keep on grinding  
Cause in every dark cloud there's a silver lining  
I know...  
Yeah, yeah... yeah  
See... right now we just riding on love  
And shine in the dark, we ain't tryna do nothing be at the heart  
We need love, that's all now You tie my hands  
What am I gonna be  
What have I done so bad  
What is my destiny  
You tie my hands  
What am I supposed to see  
What have I done so bad  
What am I gonna be  
You tie my hands  
What am I gonna be  
What have I done so bad  
What is my destiny  
You tie my hands  
What am I supposed to see

What have I done so bad  
What am I gonna be Born right here in the USA  
But due to tragedy, looked on by the whole world as a refugee  
So, accept my emotion, do not take it as an offensive gesture  
It's just the epitome of my soul  
And I must be me  
We got spirit y'all  
We go spirit  
We got soul y'all  
We got soul  
They don't want us to see, but we already know
