

Besame Mucho

[Nicki Parrott](#)

Besame mucho Besame, Besame Mucho
Each time I cling to your kiss,
I hear music divine,
Besame, Besame Mucho,
Love me forever and say, say that you'll always be mine.
This joy is something something new,
My arms are holding you,
Never felt this thrill before,
Whoever Thoth I've been holding you close to me.
Whispering is you I'll adore.
Dearest one,
If you should leave me,
Each little dream Would take wings and my life would be through,
Besame, Besame Mucho,
love me forever and say, say: "you'll always be mine". This joy is something new,
My arms are holding you,
Never felt this thrill before,
Whoever Thoth I've been holding you close to me.
Whispering is you I'll adore.
Dearest one,
if you should leave me,
Each little dream Would take wings and my life would be through,
Besame, Besame Mucho,
love me forever and say,
just love me forever and say,
love for ever and say, say: "you'll always be mine"
Say: "you'll always be mine".
