

Brainchild Amnesia

Queen Dementia

Handle their hearts with kid gloves.

Queen Dementia,
There's no need to stand up
See no need to buck up
There's no need, give up

Pale reflection, the mirror
No reflection, vampire.

Didn't, didn't, didn't, didn't you go home?
Didn't, didn't, didn't, didn't they go home?
Didn't, didn't, didn't, didn't they come home?
Didn't, didn't, didn't, didn't-no!

Queen Dementia.

Handle their hearts with kid gloves.

Queen Dementia,

Didn't, didn't, didn't, didn't you go home?
Didn't, didn't, didn't, didn't they go home?
Didn't, didn't, didn't, didn't they come home?
Didn't, didn't, didn't, didn't-no turning back.
