

Waiting For My Real Life To Begin

Colin Hay

Any minute now my ship is coming in
I'll keep checking the horizon
And I'll stand on the bow
And feel the waves come crashing
Come crashing down, down, down on me And you said, "Be still, my love
Open up your heart
Let the light shine in"
Don't you understand?
I already have a plan
I'm waiting for my real life to begin When I awoke today suddenly nothing happened
But in my dreams I slew the dragon
And down this beaten path
And up this cobbled lane
I'm walking in my own footsteps once again And you say, "Just be here now
Forget about the past
Your mask is wearing thin"
Let me throw one more dice
I know that I can win
I'm waiting for my real life to begin Any minute now my ship is coming in
I'll keep checking the horizon
And I'll check my machine
There's sure to be that call
It's gonna happen soon, soon, oh so very soon
It's just that times are lean And you say, "Be still, my love
Open up your heart
Let the light shine in"
Don't you understand?
I already have a plan
I'm waiting for my real life to begin Hey heyeyeyeyey
Hey yeeeeeee
Hey heyeyeyeyey
Eeh eeh eeh eeh eh x5 On a clear day
I can see, see for a long way On a clear day
I can see, see a very long way
