## Tech N9ne

Bianca's and Beatrice's are known for wetting matrices  
And bending over in the ill positions  
Bianca's and Beatrice's, they love the way I'm rapping this  
I dig 'em then I plug 'em and I diss 'em I'm kickin' it with this chick up in the club I'm off the lou  
And when you're on that caribou you know just what to do  
I called her Bianca then she said, what is that Bianca shit  
I looked and cracked a smile and said, Bianca means you bitch You're a biank baby, whether you like it or not  
But you hot especially with ex and vicaden popped  
If you trippin' you can hike it and hop 'cause you know what I came to do  
Me and my villains come to strike it and stop Pipe it and prop ya leg up and get up  
Bianca hold ya head up your sex wet the bed up  
Everybody's pondering wondering about my slang that I spit  
You can use it when you refer to a dame or a chick Don't be trippin' about the choice of words I'm using on this
