

Summer Parade

Brookville

Monday, And It's Raining.
i'm Leaving Your Perfect Town.
you've Got Enough People,
got Enough People Who'd Let You Drown.
you Play Such A Heartless Game.
a Street Fair That Kills The Clown.
i Know You Don't Need Me.
so Why Don't You Free Me?do You Really Want To Hurt Me Now With Broken Kisses?
i'll Die Here If I Stay In This Summer Parade.you Smile, Whisper Something Strange.
trying To Bring Me Down.
i Feel You Look Through Me.
and Then You Come To Me.do You Really Want To Hurt Me Now With Broken Kisses?
i'll Die Here If I Stay In This Summer Parade.
don't Hurt Me Now With Broken Kisses.
i'll Die Here If I Stay In This Summer Parade.it's Much Too Hard.
september I Go Away.
for You Tomorrow Is Only Just,
just Another Daydo You Really Want To Hurt Me Now With Broken Kisses?
i'll Die Here If I Stay In This Summer Parade.
don't Hurt Me Now With Broken Kisses.
i'll Die Here If I Stay In This Summer Parade.
