

# Process of Pain

## Holy Moses

Chaos - Infecting - it's self - my life  
Enter - circle - from the ending - path  
It's your turn in my life  
The process of pain  
I kill you tonight  
Phantom - defiled - myself - to death  
I - kill you - I - I - kill you - I - kill you  
Creeping - breaking - inside - my mind  
Mental - terror - burns - bursting  
I - kill you - I - I kill you - I - kill you
