

forgetting

CiLt

Crawling then walking
Then running and sweating
 Forgetting
 Lying and cheating
 Aiding and abetting
 Forgetting
 Itching and scratching
 And punching and hitting
 Forgetting, forgetting
 Forgetting, forgetting
 Reminding, rewinding
 Removing, regretting
 Forgetting
 Your smiles at the wake
And your tears at the wedding

Forgetting, forgetting
Forgetting, forgetting
Forgetting, forgetting
 Forgetting
 Spellbound and hell-bound
 And caught in the netting
 Forgetting
 A wiping it clean
 A minute Armageddon
 Forgetting, forgetting
 Forgetting, forgetting
 Forgetting, forgetting
 Forgetting
 Forgetting, forgetting
 Forgetting
