

Night of the Snakes

Krokus

I'm a hot blooded man, girl I know you like how I am
And I'm gonna sit back close to you again
Rushes through my body, quivers up my spine
This feeling when I see your curves of desire
Your gentle looks can kill, so full of lust within
Let me caress your flesh, unveil your passion, turn you on
It's the night of the snakes
X-rated scenes ahead, time to put the kids to bed
Explore the mysteries of our bodies
Release some tension from this moral flesh
Lick one hundred beads of sweat
You are the one for me, your passion sets me free
I'm glad you feel the same, I love to hear you, call my name
