

# Live It Up

Jeannie Ortega

Come on  
Live it, live it  
Can't believe, made it through another day  
Who woulda' thought that my life could take a turn this way  
Sitting here, thinking what I'm gonna do  
Do I give up? Oh, not with everything I'm going through  
But I won't 'cuz it isn't worth the time  
Just standing still when without this I'll be doing fine  
I must see past and remember it'll get better  
Look up higher and just do my best  
Not today, not now  
I won't fall  
So if you're feeling down  
Why keep pressing on?  
Live it up, live it up, gotta live it up, live it up  
'Cuz it isn't worth your cries  
Live it up, live it up, gotta live it up, live it up  
'Cuz the sun's gonna shine  
Live it up, live it up, gotta live it up, live it up  
Just let loose tonight  
Live it up, live it up, gotta live it up, live it up  
Let's make the best of life  
Live it, live it  
Live it, live it  
The worst is done, so just let it free  
Sing to your song and just feel the beat  
Don't ever feel that it's wrong to dream  
Just live it up, make it your party  
Grab your friends, do the most that's right  
Don't look back 'cuz you'll lose the fight  
Shake it off if you feel the vibe  
Do what you do and let go tonight  
Not today, not now  
You won't fall  
So why the feeling down, why?  
Keep pressing on  
Live it up, live it up, gotta live it up, live it up  
'Cuz it isn't worth your cries  
Live it up, live it up, gotta live it up, live it up

'Cuz the sun's gonna shine  
Live it up, live it up, gotta live it up, live it up  
    Just let loose tonight  
Live it up, live it up, gotta live it up, live it up  
    Let's make the best of life  
Hold your heart, every beat means  
    That you're meant to be happy  
Don't lose yourself and don't give up  
    All you gotta do is live it up  
        Live it, live it  
        Live it, live it  
        Live it, live it  
        (Live it)  
    Not today, not now  
        (Live it)  
    I won't fall so  
        (Live it)  
    If you're feeling down  
    Why keep pressing on?  
Live it up, live it up, gotta live it up, live it up  
    'Cuz it isn't worth your cries  
Live it up, live it up, gotta live it up, live it up  
    'Cuz the sun's gonna shine  
Live it up, live it up, gotta live it up, live it up  
    Just let loose tonight  
Live it up, live it up, gotta live it up, live it up  
    Let's make the best of life  
Live it up, live it up, gotta live it up, live it up  
    'Cuz it isn't worth your cries  
Live it up, live it up, gotta live it up, live it up  
    'Cuz the sun's gonna shine  
Live it up, live it up, gotta live it up, live it up  
    Just let loose tonight  
Live it up, live it up, gotta live it up, live it up  
    Let's make the best of life
