

Thank You Note

Hip Hop Pantsula

Ok now Thank You Note take 2 bona...First of all I'll like to thank Jesu, to my gang le baf'wethu

The rest of my fam le bana botlhe bako heso
And to my gram though you passed I can't forget you
And wee to le-M and to le-timer ko Soweto
I just wanna say that I heard you
Even though some of the things that I'm currently doing really hurt you
I'm sorry for that, but I'm happy that you gave birth to
A man who's in fact becoming a symbol of virtue
Mmamokgolo Minki straight to Fezile Dabi
I hope you don't think I'm a star all of a sudden
I'm not, I'm still the same kid who came on the spot
Still the same kid trying to make a mark on this plot
Aus' Mokgadi Oarabile e se ele mosadi
To my ex-school mates trying to be a somebody
Ka le wela, ho le chayela di-waar ka le shwela
Keya go le phuthela go fihlela mmu o nkwela
To my whole entire family hope y'all not mad at me
To my moratiwa hoping you cope when you marry me
Those that I'm distant hoping that you don't abandon me
Makgeledisa I'm glad that you've become a friend to me
Bo Rantao, Manyedi, Mo Monare
Bo Mankau, Rakgokong bo rakgadi
Before I miss this boat

I thought that I should come give a sample of my thank you note...

Now to manyora ame a the industry
Including di-promoter le di-sponsor tsa subsy
Ke le betsa ka hey even though you don't trust me
Qho ke le buwa ma-k when the journalist ask me

To my new record company Jenns for defending me
Jennine Camp the whole staff at the factory
Strictly come dance producers for coming back to me
Gave me one chance for fans to get the best of me
All the DJ's who play me on the regular
All the VJ's who rule the whole of Africa
Before I miss this boat
I thought I should give you a sample of my thank you note...
Last but not least to the fans who get down to this here
Thanks in advance from this year to next year
Rebafile, Neo, bo Teya, le bo Ofentse
Glen le Njabulo kaofela joe le nketse
To those that I meet daily on my space
Before I miss this boat
I thought I should give you a sample of my thank you note...X2
Now that I keep up on both feet
Becoz when I fall I will know who to call
You were the light in my life
So I just wanna say thank you anyway
