MP: This the last Don, can I speak to you for a minute?

NL: What worry you? You got problem? I take care of it, okay?

MP: I hate to puzzle you with this small problem, but, someone in the family
is stealin' from me.

NL: What? Nobody steal from...Da Don.

MP: So, what we go'n do to the nigga?

NL: We make example out of him. We get all my money back and then we bury him
in it.
