Kyle

Cyclefly

You watch, staring from a distance
Cover up my eyes
There to test my sanity
Maybe break a smile
Ohhhh kyle
Is it just the way I feel
Conjure up some hope
Is it just the
I stand, naked in the distance
Cover up my eyes
There to test reality
Maybe for a while
Ohhhh Kyle
Is it just the way I feel
Conjure up some hope
Is it just the way I feel
Memories are born(x6)
Kyle, Kyle, Kyle, Kyle, Kyle, Kyle, Kyle
Ohhhh Kyle, Kyle, Kyle, Kyle, Kyle, Kyle, Kyle
Ohhhh Kyle
