Spoiled

Battlecross

A mindless self-existence depicted in real time
With endless stimulation for a bored feeble mindDesign distribute and infect
A blueprint created at your expense
A spoiled culture hooked on-demand
Tempting desires hooked on command
The virtual landfill spun into goldAn addiction to a power
Its illusion of control
A blatant disregard for your humanity
Unbridled fantasies are bought and soldDesign distribute and infect
A blueprint created at your expense
A spoiled culture hooked on-demand
Tempting desires hooked on command
The virtual landfill spun into gold
Insatiable hunger obsessed with consuming
Oblivious to understand
