Sam Malone

Dallas Green

You can try to fight this all you want,
but I won't be there when you're all alone.
This new season brings with it signs of hope.
You can't leave me waiting by the phone.And I know, there is.
Some place I can go.
Where no one knows my name.And I still remember the sound of your voice.
Although your silence still rings so clear.
Do you think I would call just to hear you breathe?
You always knew that just one word would dry up all my tears.And I know there is.
Someplace I can go.
where no one knows my name.
Where no one knows my name.
