## Welcome All Again

## **Collective Soul**

Welcome all, welcome all
Welcome all my friends
Welcome all, welcome all
Welcome all againWelcome all, welcome all
Welcome all my friends
Welcome all, welcome all
Welcome all againWelcome all again
Welcome all again
Yelcome all again
Welcome all again

Yeah, yeah, I've got the mountain foreground Yeah, yeah, I've got the river deep downWoo, hoo, hoo, welcome all my friends Woo, hoo, welcome all againNight time in bloom, it's not so frightening

Swim with the moon, that's how we like it

Yeah, yeah, we've got the singer singing

Yeah, yeah, we've got the drinker drinkingWoo, hoo, hoo, welcome all my friends Woo, hoo, hoo, welcome all again

Woo, hoo, welcome all my friendsWelcome all my friends
Woo, hoo, hoo, welcome all again
Woo, hoo, hoo, welcome all my friends
Woo, hoo, hoo, welcome all again
