

Hella Good

Behindtupfers

The waves keep on crashing on me for some reason
But your love keeps on coming like a thunderbolt
Oh, come here a little closer
'Cause I wanna see you, baby, real close up
(Get over here, get over here) You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
(Keep on dancing) Your performance deserving a standing ovation
And who would have thought it'd be the two of us
So don't wake me if I'm dreaming
'Cause I'm in the mood come on and give it up You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
(Keep on dancing) You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
(Keep on dancing) Ooh, yeah yeah
Ooh, yeah yeah You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
(Keep on dancing) You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
(Keep on dancing) Keep on dancing
Keep on dancing
