And when I'm done, y'all can finger nail file me  
Floss the ill robes since Criminology  
Supreme Clientele, put the world on top of me  
Yo babe, hurry up, with those collard greens  
I represent S.I., ain't as wild as me  
They lousy, I'm phat like a pound of cheeba weed brownies  
Tone got the powder squeeze, don't surround me  
Quick to pick a honey up, shit, the flow's Bounty  
Ya'll can just crown me
