

Love Won

Talleys

There's a moment that has left its mark on eternity. There's a place where a battle was waged for all humanity.
On a hill outside Jerusalem, a sinless Savior hung upon a cross. forsaken and rejected, God himself had come to
pay the cost.

There's a tomb with the Roman soldiers guarding where Jesus lay. There's a stone that is standing where hope
was silent in the grave. But the chains of death were breaking as morning passed its light upon the day.
Darkness was defeated and Satan did not have the final say.

Love won Jesus is alive. Love won forever and all time. He is risen great and glorious the Lamb of God
victorious. It is finished it is done. Love won.

[(Hallelujah X3) Christ has overcome] X2

Overcome

Love won Jesus is alive. Love won, forever and all time. He is risen great and glorious the Lamb of God
victorious. It is finished it is done. Love won.

Love won.
