

Right Away

JR Castro

[Intro]

Franny what up, a what my nigga puff say

Make these nigga dance

Fuck all that frowning

Im just tryin to love something

A watch me take this shit back

Listen.....[Verse 1:JR Castro]

This is how we do it

Its Friday night and im feeling right

Just flew in from the west side

And you know im pullin up in the best ride

Gotta show these nigga how to flex right

Bad bitch waitin for me bed side

She only takes pics on her best side yeah

Oooooo the way you touching me has got me going

Ooooooo kissing everything got you moaning

She can't decide she can't decide what she want

Everytime everytime its better than before[Chorus]

Ooooooooo you got that shit girl that make me come right away

Ooooooooo Whenever you need me girl im coming right away

This kind of love its once in a lifetime

Hope that its real girl you're my lifeline

Don't you forget forget about us

You better know you better know[hook]

Oooooo the way you touching me has got me going

Ooooooo kissing everything got you moaning

She can't decide she can't decide what she want

Everytime everytime its better than before[Chorus]

Ooooooooo you got that shit girl that make me come right away

Ooooooooo Whenever you need me girl I'm coming right away

Ooooooooo you got that shit girl that make me come right away

Ooooooooo Whenever you need me girl im coming right away[Bridge]

Gotta love the way your water works

Make me do you oh so good it hurts

Turn me into an addict

Can't go a moment without your face

My only habit what an accomplishment

What you do its better than before[Hook]

Ooooooooo you got that shit girl that make me come right away

Ooooooooo Whenever you need me girl im coming right away
Ooooooooo you got that shit girl that make me come right away
Ooooooooo Whenever you need me girl im coming right away[Chorus]
Whenever you need me girl im coming right away
