# Smooth Operator

## Sarah Vaughan

Cha, cha, cha, chaYou're a smooth operator
(Uh huh)
You're a cool sweet potato
(Oh yeah)Kiss me, baby
Don't make me wait
Hug me, honey
Don't you hesitateTake my heart and
Don't give it back
(Cha, cha, cha, cha)
I like it like thatYou're a smooth operator
(Uh huh)
You're a gone alligator
(Oh yeah)Ooh, tell me, baby
Whatcha gonna do?
You got me sighing
Wishing for youBut I'm here to tell you
One natural fact
(Cha, cha, cha, cha)
I like it like thatYou've got me yearning
Burning with desire
You set my heart
And soul on fireYou drive me wild
You make me shout
Have mercy, Mr. Percy
Now cut that outYou're a smooth operator
(Uh huh)
Woo, you're the end of
Butter greater
(Oh yeah)When you kiss me, baby
My toenails curl
And I'm so glad
Just to be your girlI'd be happy
In a one room shack
(Cha, cha, cha, cha)
Mmm, I like it like that
I like it like thatCha, cha, cha, chaI like it, I like it
I like it
