Candy Shop

Andrew Bird

See which flavor you like and I'll have it for you
Come on in to my store, I got candy galore
Don't pretend you're not hungry, I've seen it before
I got Turkish delight baby and so much more
Get up out of your seat
(Your seat)
Come on up to the dance floor
I got something so sweet
(So sweet)
Come on up to the front door
I need plenty of heat
(Heat)
Form a special connection
Just start moving your feet
(Your feet)
Move on over to me
I'll be your one stop
(One stop)
Candy shop
(Candy shop)
Everything
(Everything)
That I got
(That I got)
I'll be your one stop
(One stop)
Candy store
(Candy store)
Lollipop
(Lollipop)
Have some more
(Have some more)
All these suckers are not what we sell in the store
Chocolate kisses so good you'll be beggin' for more
Don't pretend you're not hungry, there's plenty to eat
Come on in to my store 'cause my sugar is sweet
Get up out of your seat
(Your seat)
Come on up to the dance floor

I got something so sweet
(So sweet)
Come on up to the front door
I need plenty of heat
(Heat)
Form a special connection
Just start moving your feet

I'll be your one stop
(One stop)

Yo, peace to the gummy little kid
That be dancing on the corner in the UK and the USA
France I see you, Japan, all around the world
You know who it is, it's her, it's the M A D O N N A
You ready? Let's go, all right
