

# Goodnight Goodnight

## Ellie Greenwich

You left me hanging from a thread  
We once swung from together  
I lick my wounds  
But I can't ever see them getting better  
Some thing's gotta change  
Things cannot stay the same  
Her hair was pressed against her face  
Her eyes were red with anger  
Enraged by things unsaid  
And empty beds and bad behavior  
Some thing's gotta change  
It must be rearranged, oh  
I'm sorry  
I did not mean to hurt my little girl  
It's beyond me  
I cannot carry the weight of the heavy world  
So goodnight, goodnight, goodnight, goodnight  
Goodnight, goodnight, goodnight, goodnight  
Goodnight, hope that things work out all right, yeah  
The room was silent  
As we all tried so hard to remember  
The way it feels to be alive  
The day that he first met her  
Some thing's gotta change  
Things cannot stay the same  
You make me think of someone wonderful  
  
But I can't place her  
I wake up every morning  
Wishing one more time to face her  
Some thing's gotta change  
It must be rearranged, oh  
I'm sorry  
I did not mean to hurt my little girl  
It's beyond me  
I cannot carry the weight of a heavy world  
So goodnight, goodnight, goodnight, goodnight  
Goodnight, goodnight, goodnight, goodnight  
Goodnight, hope that things work out all right

So much to love, so much to learn  
But I won't be there to teach you, oh  
    I know I can be close  
    But I try my best to reach you  
    I'm so sorry  
    I did not mean to hurt my little girl  
    It's beyond me  
    I cannot carry the weight of a heavy world  
So goodnight, goodnight, goodnight, goodnight  
    Goodnight, goodnight, goodnight, goodnight  
    Goodnight, goodnight, goodnight, goodnight  
    Goodnight, hope that things work out all right, yeah
