Please Don't Let Me Be So Understood

Tweedy

I don't wanna give in
All is falling
I don't want to cold out
Trolling
Trolling
UnrollingI don't wanna give you satisfaction
I don't wanna call in code
I'm all in
You're boring
Aww I'm so,
You're so fucking boringI don't want to kill
All those people
But I don't wanna grow up
Grow loveI'm boring
You're boringI don't wanna be so understoodBoring
Boring
Boring
