

# Wife U Up

## Bei Maejor

I'm gonna wife you ass up  
See I've met many girls  
A million different faces  
All over the world  
A million different places  
When I saw you, looking like a star  
I said ,yeah yeah yeah yeah  
So I jumped up out my whip  
And started walking closer  
I didn't know your name  
So I tapped you on your shoulder  
Hit you with my number  
And ask you to come over  
You said yeah yeah yeah yeah  
Now baby I ain't telling no lie  
I ain't never seen an ass like that  
So big but it sits so right  
So round but it's still so fat  
And it got me  
Hey pretty girl  
Hey sexy sexy lady  
The way that that booty moves/drop  
Makes me go crazy  
I'm gonna wife your ass up  
Wife your sexy ass up  
(repeats)  
Up in the club  
Dancing to some slow songs  
She showed me love  
Said baby this is your song  
I'm like: what's up?  
Are you trying to get freaky?  
  
She said: yeah yeah yeah yeah  
I get my drink  
And then proceed two steps  
then get right to it  
cause we only got a few left  
So grab your girls

Ad let's make it a party  
She said yeah yeah yeah yeah  
Baby I ain't telling no lie  
I aint never seen an ass like that  
So big but it sits so right  
So round but it's still so fat  
And it got me  
Hey pretty girl  
Hey sexy sexy lady  
The way that that booty moves/drop  
Makes me go crazy  
I'm gonna wife your ass up  
Wife your sexy ass up  
(repeats)  
When you take it up high to the top  
make a nigga say oh, oh  
and when you take it down couple  
of inches off the ground  
shawty go go  
Hey pretty girl  
Hey sexy sexy lady  
The way that that booty moves/drop  
Makes me go crazy  
I'm gonna wife your ass up  
Wife your sexy ass up  
(repeats)
