Rising Sun

Covenant

Advisory - the following lyrics contain explicit language:

My eyes grow darker
Can barely see your face
Yesterday I tried to belong
You know I won't stay that longIn a time of lust and liars
I learned to trust my own desires
Touch me, don't be ashamed
I just don't know how to play that gameIn pride and grace, we rise with the sun
With the morning light, we just run and run
The good old days, that imaginary place
With the rising sun, we forget and we embraceMy eyes grow darker, guide me now
Can barely see your face, just lead the way
My eyes grow darker, guide me now
Can barely see your face, just lead the wayMy days grow longer
Can barely find my trace
One more day I try to be strong
You know I won't last that longFor a time I feed the fires
I search and seek while time expires
Hold me, I'm so afraid
I just don't know how to keep this flameIn pride and grace, we rise with the sun
With the morning light, we just run and run
The good old days, that imaginary place
With the rising sun, we forget and we embraceMy eyes grow darker, guide me now
Can barely see your face, just lead the way
My eyes grow darker, guide me now
Can barely see your face, just lead the wayMy eyes grow darker, guide me now
Can barely see your face, just lead the way
My eyes grow darker, guide me now
Can barely see your face, just lead the way
