

Flava In Ya Ear (Easy Mo mix)

Craig Mack

"yo mack i don't even understand how they didn't understand you in
That mary joint!"

"yeah i know man."

"kick that ol' robotic futuristic george jetson crazy joint!" Just... like... uniblab robotic kickin' flab

My flavor be the badder

Chitter chatter

Madder than the mad hatter (1)

I bet you my shit come out fatter

Got the data

To turn your body into antimatter (2) {...body into antimatter...}

And just like a piece of sizzlean

You'll fit inside my stomach

With the eggs and grits between {...take 'em down, mack...}

The king is what i mean

I mean

My man get a cup

And put some change inside your hand {...take 'em down, mack...}

Now hold up,

Let's make this official {...make it official}

Everybody let's agree that m.c.'s need a tissue {...wake 'em up}

The funk's my only issue,

I bet your mama miss you

And i bet the mack take off like an m.x. missile

No more of your whining

On the charts climbing

As i make the funk

Kickin' out more harder than a diamond {...harder than a diamond}

And if you didn't know who's rhyming

I guess i'm gonna say craig mack

With perfect timing

.you won't be around next year

My rap's too severe, kickin' mad flava in ya ear {...kick it down!} Chorus:

Here comes the brand new flava in ya ear

{...brand new flava in ya ear...}

[time for new flava in ya ear] I'm kickin' new flava in ya ear [mack's the brand new flava in ya ear...] Craig mack

1000 degrees

You'll be on your knees

And you'll be burnin', beggin' please

Brother freeze! {boy!...}

Man's indisputed
 And deep-booted
 Funk smoke that leaves your brains booted
 This bad m.c.
 With stamina like bruce jenner(3)
 The winner
 Tasting m.c.'s for dinner
 You're crazy like that glue {...you're crazy, boy, you're crazy.}
 To think that you
 Could out-do
 My one-two
 That's sick like the flu {...shake 'em down, mack}
 Boy, i flip
 Boy all the time, 'cause
 Boy, the rhyme you're kickin' {haaaaaaaaa! boy!...}
 Ain't worth a dime
 Seems like there's no competition
 In this rap world expedition
 You come around,
 I'll knock you out [of] position {... knock 'em out!}
 No flav
 Could ever dig a grave
 For the mack
 The power pack
 In black
 Makin' cement crack {...make it crack...}
 .and here comes the brand new flava in ya ear
 Mack's the brand new flava in ya earHere comes the brand new flava in ya ear
 {here- comes- the- brand- new- flavor-...
 [time for new flava in ya ear]
 ...in- your- ear...
 I'm kickin' new flava in ya ear
 ...boy!}
 [mack's the brand new flava in ya ear...]
 {flavor down...}
 Here comes the brand new flava in ya ear
 {flavor, flavor, here comes the flavor}
 [time for new flava in ya ear]I'm kickin' new flava in ya ear[mack's the brand new flava in ya ear...]
 {flavor in ya ear, boy...}Haaaaaaa!
 The mack's dope
 With more hope than your pope
 But for m.c.'s more knots than rope
 I'd like to break it down
 Down-breakin'
 Forsaken

Lords of m.c.'s shakin
With this track that my man's makin'
M.c.'s will run like a bomb threat
I bet {what?}
Or better yet {huh?}
Make you sweat
Gettin' hotter than the sun get {yup!}
Craig mack is the flav that romps
From here to tibet {boy!}
I break all rules
With my action
That the mack sends
To m.c.'s stop relaxin'
This brand new sherrif that's in town's
Gettin' down
Leavin' bodies buried in the ground {...rest in peace...}
I set up rhymes for a decoy
To off a bad boy {ooohhhh!}
Watch the m.c.'s i destroy and... {boy!} Here comes the brand new flava in ya ear
{time for new flavor...
[time for new flava in ya ear]
...fla-vor!}
I'm kickin' new flava in ya ear
{time for the flav...
[mack's the brand new flava in ya ear...]
...boy, here come the mack}
Here comes the brand new flava in ya ear
{haaaaaa!...
[time for new flava in ya ear]
...wakin' up with flavor!}
I'm kickin' brand new flava in ya ear[mack's the brand new flava in ya ear...]
{haaaaaaaa!... boy...}
